

For students to succeed, all staff members must approach their responsibilities conscientiously, always remembering that the ultimate responsibility of the school district is to create the opportunity and environment where students can learn.

Also essential to the success of ongoing school operations and the instructional program are the following specific responsibilities, which will be required of all personnel:

- be familiar with, support and, where appropriate, enforce board policies, administrative procedures, school rules and applicable laws;
- attend to the safety and welfare of students, including the need to ensure that students are supervised at all times;
- demonstrate integrity, respect and commitment to the truth through attitudes, behavior and dress;
- address or appropriately direct any complaints concerning the schools, the school program or school operation; and
- support and encourage good school-community relations in all interactions with students, parents and members of the community.
