

The Board of Education recognizes the need for staff members to make and receive urgent calls during the school day as well as the necessity to keep school phone lines open. Hence, staff members may use personal cell phones at school during the school day provided such use does not interfere with the performance of assigned tasks. Staff members who violate this policy shall be warned in writing by his/her immediate supervisor. Subsequent violations of this policy shall result in the revocation of the staff member's privilege to use a cell phone at school during the school day. Further violations of this policy may be viewed as insubordination and could lead to disciplinary action.
