

Under the direction of the Superintendent or designee, student teachers/interns from accredited colleges and universities may be assigned for student teaching experience in the Cherokee County Public School System.

It shall be the policy of the Cherokee County Board of Education to endorse formal collaborative agreements between the Cherokee County Public School System and institutions of higher education that speak to the assignment of roles and responsibilities relative to the operation of the student teacher/interns program. The Board authorizes the Superintendent or his designee to execute such agreements as required by the State Board of Education for the approval of teacher education programs.

The specific assignment of student teachers/interns shall be determined through cooperative involvement of the administrative staff, the respective principals, and appropriate teachers, and assigned by the Superintendent or his designee.

Student teachers/interns assigned in the Cherokee County Public School System shall be subject to the policies, practices, and procedures of the school system.

A student teacher/intern shall be removed by the Superintendent or his designee if it is determined that his/her presence is detrimental to the welfare of the students, welfare of the school system, or if it is found that he/she is academically unprepared for student teaching.

The superintendent or designee shall establish procedures for assigning student teachers in Cherokee County Schools.
